

# THE FLY HUMANITARIAN & EDUCATIONAL CENTER

# Who We Are

Freedom Loving Youth (FLY) is a 501(c)(3) international organization founded in 2012 by mother and daughter Karoline and Alina Samuelian.

We are dedicated to transforming the lives of children and families living in poverty by providing the resources and opportunities they need to rebuild their lives and create brighter futures. With compassionate teams in Los Angeles, Armenia, Syria, and Lebanon, FLY carries out its mission both locally and internationally-bringing hope to children and families wherever the need is greatest.

## Our Focus

Since 2016, FLY has dedicated its efforts to uplifting single mothers and children living in some of Armenia's harshest conditions, including families struggling to survive in metal containers. Armenia's 1988 earthquake left hundreds of thousands in deep poverty. Today, more than 2,500 families in Gyumri alone still live in metal containers without necessities. Through humanitarian aid, education, empowerment seminars, and job training, we give our beneficiaries the tools to create brighter futures, build meaningful careers, and break the cycle of poverty with dignity and independence.

## What We Do

A Step-by-Step Pathway:

- **Step 1. Immediate Assistance:**

We provide urgent humanitarian aid—food, clothing, school supplies, and hygiene products—so families' basic needs are met and children feel safe.

- **Step 2. Empowerment & Education:**

Through empowerment seminars, therapy sessions, and mental health support, we help mothers and children heal, gain confidence, and build the foundations for learning and growth.

- **Step 3. Job Training & Placement:**

We offer vocational training and career guidance that open real pathways to employment. With practical skills and employer connections, families move toward lasting independence.

## **Why Your Support Matters**

The urgency is greater than ever. Armenia's poverty, ongoing instability, and lack of opportunity continue to devastate families. The FLY Center is designed to break this cycle—but we cannot complete it without you. Every donation, big or small, builds hope for a child's education, a mother's independence, and a family's dignity. Together, we can ensure that thousands more are given a second chance at life.

# HELP US BUILD THE FLY CENTER

## Thank You

We are deeply grateful to every supporter who has stood with FLY. Because of your generosity and the tireless work of our volunteers, we have transformed more than 20,000 lives. *If not us, then who? if not now, then when?*  
Join us in building hope, dignity, and opportunity for generations to come.

# A BEACON OF HOPE, OPPORTUNITY, AND TRANSFORMATION

## **The FLY Humanitarian & Educational Center – Opening 2026**

After more than a decade of impact, FLY is building a monumental Humanitarian & Educational Center in Gyumri, Armenia, opening in 2026. This transformative landmark brings together all three steps of our mission on a larger scale- providing classrooms, counseling spaces and training labs that turn urgent relief into lifelong change. The Center ensures that every family we serve has the opportunity to move through the pathway from crisis to self-sufficiency with dignity and hope. Classrooms and rooms at the Center are available for sponsorship, along with donor walls where names can be inscribed as a lasting tribute. These opportunities allow individuals and families to leave their legacy in this transformative landmark forever.

# WHERE FAMILIES FIND SUPPORT, CHILDREN FIND OPPORTUNITY, AND COMMUNITIES FIND STRENGTH

## The FLY Center Will Provide:

- **Educational Excellence** – After-school programs, tutoring, and academic support that nurture children’s dreams of higher education and successful careers.

- **Creative & Skill-Building Opportunities**  
Extracurricular activities such as art, music, dance, and robotics, giving children the chance to explore their passions, discover their talents, and gain valuable skills for the future.

- **Empowered Mothers** – Job training, empowerment seminars, and essential support services that foster confidence, independence, and economic stability.

- **Wellness & Mental Health**  
A safe space for therapy, counseling, and wellness programs, ensuring emotional healing and resilience are at the heart of transformation.

- **Humanitarian Aid** – Warm meals, clothing, shoes, school supplies, and toys that meet essential needs, restore dignity, and bring joy to children and families.

- **Hygiene Care** – Restrooms, showers, and comprehensive hygiene support, including teaching children proper dental care and healthy cleanliness habits, ensuring they grow up in a safe and nurturing environment.

A wide-angle photograph of a bright, modern sewing classroom. The room features light-colored walls with a horizontal orange accent band, a wooden floor, and several rectangular recessed ceiling lights. In the foreground, students are seated at long wooden tables, each with a sewing machine and spools of colorful thread. One student in the foreground is smiling while holding a piece of fabric. In the background, a teacher stands at a long table with a whiteboard, surrounded by other students. The overall atmosphere is professional and educational.
